

Executive Director's Report

April 27, 2011

Landscape Contract

We have had some complaints about the landscaping work along the corridor, and we are working with Ruppert to get on the right track. Had a meeting on Friday with their Management team, which went well.

Status of Yellow River Pedestrian Bridge

The Pedestrian Bridge is close to being done. We are using sidewalk funds to finalize payment. (See Attachment A)

McGee Cambridge Intersection

Construction is underway. Impacts to traffic have been nominal, and the project appears to be on schedule.

Executive Director Search

Executive Director Search is ongoing and we will conclude the application acceptance later this week, on the 29th. We have had over 300 hits on the Employment Tab of the Evermore website since we began to advertise the position.

West Park Place Interchange

Senator Balfour has gotten approval to name the interchange after Forrest Adair. We anticipate having a dedication ceremony sometime this year.

General Information

Our Security and the Gwinnett Police are doing a great job. Thank you to Major Dan Branch and his staff. Our crime numbers seem to be going in the right direction. (See Attachment B)

A color, ariel map of the Corridor is included in your Board Materials. We felt this would be a very practical and helpful reference as you get to know the corridor. (Attachment C)
