

Executive Director's Report

February 23, 2011

County Corrections

County Corrections has begun work at the Tennis Center. Please see the attached report detailing their activity along the Corridor in January. (**Attachment A**)

Landscape Contract

Ruppert Landscaping began service February 1, 2011.

Met with Harold Mull, Georgia DOT, regarding landscaping along the Corridor.

Status of Yellow River Pedestrian Bridge

The Bridge is almost complete. Would we like to hold a Grand Opening Ceremony?

Executive Director Search

Attached is a detailed Job description, and Employment Application (**Attachment B**)

Economic Development

We continue to work with City of Snellville, and recently participated in their Town Center Visioning and Charrette exercise.

Met with Nick Massino, VP Partnership Gwinnett. Mark Farmer from his office has begun the project to gather the contact information of business owners along the corridor.

Stadium Study

I have a meeting with Herb Edwards of DITC. We continue to stay in touch with this group, as it pertains to the Tennis Center Study.
