

Executive Director's Report

January 26, 2010

County Corrections

County Corrections has begun work at the Tennis Center. Please see the attached report detailing their activity along the Corridor in December. (**Attachment A**)

Landscape Contract

The 2011 Landscape Services contract has been fully executed. Ruppert Landscaping will begin service February 1, 2011.

Status of Yellow River Pedestrian Bridge

Work continues, and the project is close to completion.

Executive Director Search

I met with the HR Professional, earlier this month. The search is ongoing, and I hope to have more information in a future meeting.

Status of McGee/Cambridge Realignment

Attended a meeting with DOT, and the project team. The contract has been awarded, and is close to beginning construction.

Economic Development

We continue to work with City of Snellville.

Community Crime Prevention Meeting

A meeting was held in our offices last Friday, sponsored by Gwinnett County Health and Human Services. Please see the attached agenda. (**Attachment B**). It is our hopes that we will facilitate several of these meetings in 2011, and we encourage your participation and attendance. Please also see the attached RMS incidents for 2010 Q4. (**Attachment C**).
