

## **Executive Director's Report**

June 23, 2011

### **Corridor Landscape**

We are working with Harold Mull (GDOT) on Landscaping. The Corridor was swept, and we received good comments.

### **Yellow River Pedestrian Bridge Opening**

We celebrated the Grand Opening of the Pedestrian Bridge, on June 10<sup>th</sup>. We received good coverage in the Gwinnett Daily Post and had many positive responses.

### **West Park Place Interchange**

We have sent the State the required documents to have signage created for the bridge. We anticipate having a dedication ceremony in the coming months, formally naming the intersection for Forrest L. Adair, II.

### **Hewatt/Parkwood/Britt**

A Public Hearing Open House (PHOH) has been scheduled for June 30<sup>th</sup>, from 4-7pm, here at the Tennis Center.

### **Sharp Trail (Rockbridge to Davis)**

This project has been put on hold. The project will remain in a "future" status, so that it may be picked back up at another time.

Executive Director Report

Page Two

**General Information**

- We attended a luncheon last week, where Gov. Deal spoke.
- Our EIE project with the Chamber is underway. We have had some participation and interest. The project will last until August.
- As discussed we have had several meeting regarding the 4<sup>th</sup> of July with GCPD. Their action plan is included in your books.
- As you may have noticed, Stone Mountain has fully gated the interior of the property as a precaution.
