

## **Executive Director's Report**

March 23, 2011

### **Landscape Contract**

Meeting Wednesday morning with Harold Mull (GDOT) on the 78 Landscaping. We continue to monitor Ruppert on clean up and grass cutting.

### **Status of Yellow River Pedestrian Bridge**

Work continues on the blue lights on the bridge- they are trying to restore power.

### **Executive Director Search**

Executive Director Search is ongoing. We have had approximately 170 hits on the Employment Tab of the Evermore website.

### **Stadium Study**

We have received copies of the final version of the LCI Tennis Center study. We will forward the required package to ARC, this week. The Study can also be found on our website, under Bid Documents.

### **General Information**

I will be attending the Washington Fly-In, sponsored by the Chamber on Wednesday the 30<sup>th</sup> and home on Friday the 1<sup>st</sup>. I will be back to the office by 2 pm.

Do we want to pursue changing the time of the Board meeting and the location from time to time, this year?

The sidewalk at the entrance to the Tennis Center was recently repaired by the County.
