

Executive Director's Report

May 26, 2011

Corridor Landscape

This month we have an extra cutting of the grass scheduled. Additionally, the corridor will be swept in the overnight hours sometime this week.

Yellow River Pedestrian Bridge Opening

We are working to schedule a formal Grand Opening of the bridge. We hope to have more details later this month.

McGee Cambridge Intersection

Construction is underway. Impacts to traffic have been nominal, and the project appears to be on schedule.

Executive Director Search

Harry Owens will be conducting phone interviews for Executive Director. Board interviews will begin in June.

West Park Place Interchange

We anticipate having a dedication ceremony in June, formally naming the intersection for Forrest L. Adair, II.

Hewatt/Parkwood/Britt

A Public Hearing Open House (PHOH) has been scheduled for June 30th, from 5-7pm, here at the Tennis Center.
