

PROPERTY OWNER'S MEETING FOR ROCKBRIDGE ROAD TO DAVIS ROAD CONNECTOR STREET

Project Facts

**CSHPP-0008-00(035), Gwinnett County
P. I. No. 0008035**

Project Name: Rockbridge Road to Davis Road Connector Street
Road Classification: Urban Local Street
Estimated Traffic: 870 (2008 AADT)
1,420 (2028 AADT)
Posted Speed: 25 MPH
Proposed Typical Section:
A two-way connector street with 12-foot lanes and curb and gutter with 5-foot sidewalk on the north side.
Right of Way: 50 feet wide

Project Changes since the March 27th Public Information Open House

- Adjusted the roadway alignment to reduce impacts to residents of Colonial Oak Way.
- Removed the sidewalk from the residential (south) side of the proposed connector street.
- Evermore CID will landscape the south side of the roadway after construction is complete to screen the roadway from the residents.
- Completed noise analysis. No residential impacts from project and no noise abatement walls needed.

*Thank you for helping us provide a
project our community can be proud of.*
