

Project Fact Sheet #7

Project Name: US 78 @ Walton Court Alignment

Cost: \$762,241 [programmed GW340 / pending GDOT NTP]

Detailed Description and Justification: The project consists of realigning Old US 78 directly across from Walton Court, within the Evermore CID Corridor. The project will reduce the number of conflict points within the Corridor by providing controlled access at a signalized intersection. This project will work to improve mobility, preserve capacity and enhance safety along the US 78 Corridor. The project was part of the Hwy 78 LCI Corridor study. [PBS&J funding consultant] [ARC LCI Implementation funds awarded 6/7/2007; \$433,600]

Service Type: Intersection Improvement/Realignment

Sponsor: Private / CID / County / State / Federal

Jurisdiction: Gwinnett County

Target Completion Date: 2009 [Kimley-Horn consultant]

Corridor Length: not applicable
